

THIS IS WHO WE ARE

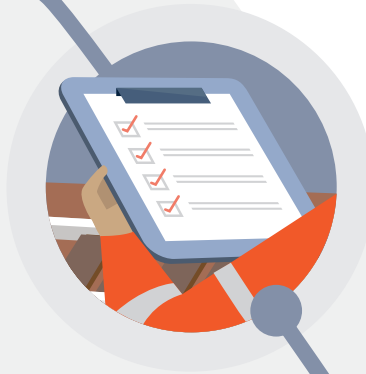

## Customer Driven

This means:

We listen to our clients and develop the right solutions.

We aim to see our business through the eyes of our clients.

We work together with our clients & suppliers as 'one team'.

## Professional Attitude

This means:

We go about our work in a positive and respectful manner.

We do things properly and always work to expected standards of professional conduct.

We are honest and open in the way we do business.

## People Focused

This means:

We are committed to getting everyone home safe, every day.

We work together to support the health and wellbeing of our people.

We treat each other fairly and support each other to achieve our goals.

## Delivery Excellence

This means:

Doing the best possible job and doing it right first time.

We strive for continuous improvement in everything we do.

We take pride in our work.
